RE: Memorandum of Understanding: McNamee Construction Corp.

---

The Recreation department requests that the City of Peekskill create and authorize the City Manager to enter into a Memorandum of Understanding with McNamee Construction Corp. to utilize six parking spaces in the Peekskill Stadium parking lot from February 1, 2026 – December 1, 2026.

In discussion with McNamee Construction Corp. owner Dan McNamee, the parking space use is linked to a construction project taking place on the Louisa Street bridge, through an awarded contract with Westchester County. McNamee Construction Corp. is responsible for placing temporary fencing around the parking spaces to secure supplies, small equipment and storage during the bridge construction project. McNamee Construction Corp. will pay the City \$9,000.00 for use of the parking spaces for the project period.

Please place this item on the Agenda for the Committee of the Whole on Monday, January 20, 2026.
