Peekskill Police Department

TO: Matthew C. Alexander, City Manager

FROM: Adam Renwick, Chief of Police

RE: SPCA of Westchester contract renewal

DATE: January 12, 2026

---

Over the last several years the City of Peekskill has continuously entered into an annual agreement with the SPCA of Westchester for the purpose of accepting stray cats and dogs found within the city limits. The current contract between the SPCA of Westchester and the City of Peekskill expired on 12/31/2025 and needs to be renewed. I have attached a copy of the new contract for review. It appears there are no changes, only the dates have been extended.

With your approval, I would like to present this to the Council at the Committee of the Whole meeting on January 20, 2026 and brought for resolution on January 26, 2026.

Thank you.
