

### Juliene Bell-Smith's Bio

Mrs. Smith has over 20 years in education. With 15+ years spent in Workforce Development. During this time, she has worked alongside faculty, staff, and students to meet our employment placement targets. Our vocational completers receive state/national certifications to work within business and healthcare professions. Mrs. Smith assists students with job readiness workshops to help prepare them for their internships and new jobs. She specializes in building relationships with employers and connecting students to vacant positions, through job fairs and recruitment events.

Mrs. Smith holds memberships held with: NCWE (National Council for Workforce Education), ACA (American Counseling Association) and COABE (Coalition on Adult Basic Education). She is actively involved in volunteering and serves as a Shop Steward/ Site Liaison for CSEA 9202. Also serves as a Board Member for Westchester County's African American Advisory Board.

She has a Master of Arts in Work & Labor Policy from SUNY Empire State College and a B.A. in Political Science from CUNY Hunter College
