

Public Workshop / Presentación Pública

Pugsley Park & Monument Park Improvements Downtown Revitalization Initiative (DRI)

Tuesday, November 15, 7:00pm to 9:00pm Neighborhood Center – 4 Nelson Ave, Peekskill

The City of Peekskill will host a public information session and workshop on Tuesday, November 15th, from 7:00pm to 9:00pm in the Neighborhood Center (4 Nelson Avenue). During the workshop, the City and its landscape architecture consultant will present schematic design alternatives for renovating both **Pugsley Park** (1038 Main Street across from the Sun River Health Center) and **Monument Park** (311 Highland Avenue beginning at the Civil War Monument at the corner of Highland Avenue and North Division Street). The renovations will include new pathways with a mix of seating and event areas, new landscaping, lighting, trash receptacles, and other amenities. This event will gather public feedback regarding the proposed design concepts for incorporation into final construction documents.

El Martes, 15 de Noviembre, 7:00pm a 9:00pm Centro de Comunidad – 4 Nelson Ave, Peekskill

La Ciudad de Peekskill organizará una presentación pública en el Martes, 15 de Noviembre, de 7:00pm a 9:00pm, en el Centro de Vecindario (4 Nelson Avenue). Durante la presentación, la Ciudad y su consultor de arquitectura presentarán diseños esquemáticos para renovar tanto **Pugsley Park** (1038 Main Street cerca de Sun River Health Center) y **Monument Park** (311 Highland Avenue). Los renovaciones incluirán nuevos caminos con una combinación de asientos y áreas para eventos, nuevos jardines, iluminación, botes de basura y otros comodidades. Este evento recopilará comentarios del público sobre los conceptos de diseño propuestos para su incorporación en los documentos finales de construcción.
